BIG TEN. BIG NEWS.

- Ohio State extended several streaks with its 49-27 win against Rutgers on Saturday, including becoming the third Big Ten team to win 20 straight conference home games. The win also marked the team's 22nd straight home game victory overall, which is tied for the third-longest streak by a Big Ten team in the last 80 seasons.
- Buckeye quarterback Justin Fields was once again the catalyst for the Scarlet and Gray, accounting for three touchdown passes in the first half alone. He finished the game 24-of-28 for 314 yards and five touchdowns. Buckeye wideout Garrett Wilson (104 yards, 1 TD) recorded his third-consecutive 100-yard game, becoming just the fourth Buckeye to have three or more consecutive games surpassing the century mark.
- Indiana defeated Michigan 38-21 on Saturday, snapping a 24-game losing streak against the Wolverines and marking their largest win against Michigan since 1959. The Hoosiers have now defeated multiple ranked opponents in the same season for the first time since 2004 and started 3-0 in Big Ten play for the first time since 1988. They moved up to 10th in the AP Poll, which is their highest ranking since Sept. 22, 1969.
- Northwestern improved to 3-0 on the season after a 21-13 win against Nebraska on Saturday. It marks the Wildcats' first 3-0 start in Big Ten play since 2000. Seniors Paddy Fisher, Blake Gallagher and Chris Bergin all recorded double-digit tackles for the second game in a row. Gallagher led the team with 14 total tackles and Fisher followed behind with 13. This marked the 12th time Fisher has recorded double-digit tackles in his career, the most of any active Big Ten player.
- Maryland's Rakim Jarrett became the first Terrapin true freshman wide receiver to have two receiving touchdowns and more than 100 receiving yards in a game since Stefon Diggs in 2012 as Maryland defeated Penn State on Saturday. The newcomer caught five passes for 144 yards and two touchdowns in the victory and recorded the third-most receiving yards by a freshman in a single game in school history.
- The Terrapins won consecutive Big Ten games in the same season for the first time with a 35-19 win at Penn State on Saturday. Quarterback Taulia Tagovailoa threw for 282 yards and three touchdowns while Jarrett and Dontay Demus Jr. combined for 11 receptions for 230 yards and two touchdowns to lead the offense while Maryland tallied seven sacks on defense and forced two turnovers, a fumble recovered for a touchdown by Chance Campbell and a Nick Cross interception.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

• Tagovailoa's three touchdown passes were the most by a Maryland quarterback in a conference game since 2010. His 676 passing yards over the last two weeks are the most by a Big Ten player this season and the most Maryland has had in consecutive games since 2013.

• Hawkeye head coach Kirk Ferentz won his 163rd game as a member of the Big Ten on Saturday, moving into fourth all-time in Big Ten history. Ferentz is one of five coaches in conference history to win at least 150 games as a member of the Big Ten Conference.

• On Oct. 23, the Big Ten Conference announced the launch of the 'United As One' social justice campaign. 'United As One' is among several conference-wide Equality Coalition initiatives dedicated to constructively and collectively recognizing and eliminating racism and hate in our society by creating resources for inclusion, empowerment and accountability.

• The Big Ten Conference established the Equality Coalition in 2020 with 227 members including presidents and chancellors, directors of athletics, coaches, student-athletes, conference and school administrators, alumni, families and friends representing all 14 institutions.

BIG LIFE. BIG STAGE. BIG TEN.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2020 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2019 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 27 honorees during the 2019-20 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 23 of the last 26 years, averaging nearly seven per year over that span.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
