### BIG TEN. BIG NEWS.

- All 14 Big Ten schools will be in action as week one of the 2021 season kicks off Thursday night when Minnesota, Ohio State and Rutgers make their debut. The Scarlet Knights will play host to Temple at 6:30 p.m. ET on Big Ten Network, while the Golden Gophers open at home against the Buckeyes at 8 p.m. ET on FOX. The remaining nine schools will begin the 2021 campaign on Friday and Saturday, highlighted by a trio of conference matchups. The complete opening weekend schedule appears to the right.
- Illinois opened the Bret Bielema era with a 30-22 victory over Nebraska on Saturday, Illinois' first victory over Nebraska at home since 2015. The victory marked the first conference win in a season opener for the Illini since Sept. 1, 1984 (24-16 victory over Northwestern in Champaign).
- Indiana looks to capitalize on its 2020 success as the team opens its conference slate at Iowa this weekend. Last season, the Hoosiers went 6-1 in Big Ten play with the only loss coming by seven points at Ohio State - a team that went on to play for the national championship.
- With a 6-1 Big Ten record in 2020, Indiana secured a winning conference record in consecutive seasons for the first time since 1987-88. The Hoosiers' six Big Ten wins were tied for their most in a season in school history.
- Iowa and Indiana are meeting as AP ranked opponents for the second time ever and the first time since 1991, when No. 10 Iowa defeated No. 25 Indiana, 38-21, at Kinnick Stadium.
- Iowa's first two opponents are ranked in the AP Top 25 (No. 17 Indiana, No. 7 Iowa State). It marks the fourth time in program history the Hawkeyes have opened a season against consecutive opponents ranked in the AP Top 25 (1960, 1973, 1974). The Hawkeyes started 2-0 in 1960, 1-1 in 1974 and 0-2 in 1973.
- Four-time defending Big Ten champion Ohio State begins its season on Thursday evening when it kicks off at Minnesota in primetime on FOX. The Buckeyes are coming off a 2020 season in which they defeated Northwestern in the Big Ten Championship Game, won the Allstate Sugar Bowl over Clemson and reached the College Football Playoff National Championship Game for the second straight year. Ohio State has been in the playoff four times, advancing to the title game twice.
- Minnesota is 96-35-6 all-time in season openers, including wins in four of their last five openers (3-1 under head coach P.J. Fleck). The Golden Gophers are 100-30-7 all-time in home openers with an identical stretch of four wins in their past five home openers (also 3-1 under Fleck). Minnesota is 8-4 in home openers since Huntington Bank Stadium opened in 2009.

### BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

- All six of the New Year's Six bowl games have had a chance to host a semifinal game twice with the Rose Bowl and Sugar Bowl doing so three times. This year, the Cotton and Orange Bowls will serve as semifinal games. Last year, Alabama became the second-straight No. 1 seed to win the playoff. The No. 1 seed didn't win a title in the first five years. The No. 2 seed has won it three times and the No. 4 seed has won it twice. The No. 3 seed has won just three playoff games in seven years with Ohio State winning one of those last season.

- The 2021 campaign features 120 All-Big Ten honorees (first-, second-, third-team or honorable mention) selected by either the coaches or the media last season. Iowa and Ohio State lead the West and East Divisions, respectively, each welcoming back 14 All-Big Ten honorees this season. The talent is split evenly as 60 of the returning all-conference players hail from both the East and West Divisions. Each team returns at least three All-Big Ten performers.

- The Big Ten finished last season with four teams ranked in the AP Top 25, tying for the most of any conference. Two teams finished in the Top 10 and all four finished in the Top 16. The 2021 AP Preseason Poll also featured five Big Ten teams in No. 4 Ohio State, No. 12 Wisconsin, No. 17 Indiana, No. 18 Iowa, and No. 19 Penn State, while Michigan and Northwestern are both receiving votes.

### BIG LIFE. BIG STAGE. BIG TEN.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

# BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2021 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 56 honorees during the 2020-21 academic year.

# BIG

**Big Life. Big Stage. Big Ten.**

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

## PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2021 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including a Big Ten-record 56 honorees during the 2020-21 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

## A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 23 of the last 27 years, averaging nearly seven per year during that span.

Since the 2008-09 academic year, current Big Ten institutions have claimed 80 team national championships in 22 different sports.

## BROAD-BASED PROGRAMMING

The Big Ten will administer more than \$240 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

More than 1,500 Big Ten competitors have participated in the Olympics, winning more than 500 medals, including more than 200 gold. The Big Ten Conference enjoyed its finest performance at a single Olympic Games during the 2020 Summer Olympics in Tokyo, Japan, as athletes with Big Ten ties set conference records by earning 51 total medals and 22 gold medals during the 17-day competition. All 14 Big Ten member schools had an athlete win at least one medal in Tokyo, also a first in conference history.

## PASSIONATE FOLLOWING

The Big Ten leads all conferences with 6.4 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

## LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

## EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. B1G+ streams hundreds of additional events each season.

## COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
