BIG TEN. BIG NEWS.

- All 14 Big Ten schools will be in action as week two of the 2018 season kicks off Saturday afternoon with Michigan and Northwestern opening their home schedules against Western Michigan and Duke, respectively.
- After a cancelled season opener against Akron due to weather, Scott Frost will make his debut on the Nebraska sideline Saturday night as the Huskers host Colorado. A member of two Husker national championship teams, Frost returns to his alma mater after two highly successful seasons as the head coach at UCF, where he guided the Knights to a perfect 13-0 season in 2017, and a 19-7 record in two seasons in Orlando.
- For the second-straight season, the Big Ten featured a conference game on the opening weekend of the season, as Northwestern posted a 31-27 win at Purdue on Aug. 30.
- With its victory over Purdue last weekend, Northwestern claimed its ninth straight win overall and eighth straight in Big Ten play, matching the school's longest streak since the 1995 Rose Bowl season. The Wildcats' streak also marks longest active streak among Power Five teams.
- Iowa posted a 33-7 season-opening victory over Northern Illinois on Saturday afternoon, making head coach Kirk Ferentz the winningest coach in school history. The victory marked No. 144 for Ferentz, moving him past legendary Iowa head coach Hayden Fry. Ferentz is now fifth all-time in overall wins in the Big Ten, trailing only Woody Hayes (205), Amos Alonzo Stagg (199), Bo Schembechler (194), and Joe Paterno (162).
- After trailing 17-3 at halftime, Illinois scored 28 points with 301 yards of offense in the second half, allowing the Fighting Illini to win their 21st-consecutive home opener the fourth-longest streak in the nation. AJ Bush paced the team, passing for 190 yards on 23 attempts, and rushing for 139 yards on 21 carries. Bush's 139 rushing yards are the fifth-most by an Illinois quarterback and makes him the first Big Ten quarterback with at least 190 passing yards and 139 rushing yards since J.T. Barrett in 2014.
- A pair of Big Ten newcomers made their collegiate debuts in record-breaking fashion this past weekend. Maryland's Jeshaun Jones became the first freshman in at least the last 20 years to record a passing, rushing and receiving touchdown in his first career game and the first to do so in any game since Marcus Mariota in 2012. The Boilermakers' Rondale Moore broke Purdue's 46-year old record for most all-purpose yards in a contest with 313 yards against Northwestern.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2018 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2017 Academic Ranking of World Universities, including four in the top 25.

The Big Ten leads all conferences with more than 1,700 Academic All-Americans, including 34 honorees during the 2017-18 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least seven national championships in seven of the last 10 academic years and at least three in each of the last 25 years.

In the last five full academic years, current Big Ten institutions have claimed 31 team national championships in 15 different sports.

Over the last 12 full academic years, current Big Ten institutions have won 85 team national titles in 23 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last five years.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the lvy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 1,600 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada. BTN2Go is BTN's digital extension, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus within BTN2Go streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 25 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
