### **BIG TEN. BIG NEWS.**

- Nine Big Ten schools will continue their non-conference schedules this weekend, while Indiana opens its conference schedule with a divisional matchup against Ohio State. Michigan, Rutgers and Wisconsin will all enjoy a bye week.
- Purdue's Elijah Sindelar completed 34-of-52 passes for 509 yards and five touchdowns in the Boilermakers' victory over Vanderbilt to become the first Purdue quarterback with five or more touchdown passes and 500 yards in a game since Kyle Orton in 2004. The senior quarterback threw for more than 400 yards for the second consecutive game, becoming the first Boilermaker to do so since Drew Brees in 1998. Sindelar also added a rushing touchdown to mark the first six-touchdown performance by a Boilermaker since Curtis Painter in 2007.
- Maryland continued its record-breaking performance in Week 2 with a 63-20 victory over Syracuse on Saturday. The Terps' 142 points through the first two games are tied for the fourth-most by a Big Ten team since 1900 and the most by a Big Ten team since Ohio State scored 142 in 1996.
- Wisconsin defeated Central Michigan 61-0 on Saturday for the team's 24th straight home opening win. The Badgers led 44-0 at halftime and outgained Central Michigan by 541 total yards, and gained 37 first downs while holding the Chippewas to just three. Wisconsin has scored 110 points in the first two games of the season, making the Badgers the first FBS team to score at least 100 points while allowing 0 in their first two games since South Carolina in 1980. Wisconsin has pitched back-to-back shutouts to start the season for the first time in since 2013 and has not allowed a point in its last 11 quarters.
- With its 42-0 victory over Cincinnati last weekend, Ohio State claimed its eighth straight win overall, marking the second-longest active streak among Autonomy Five teams. The win was the fifth for head coach Ryan Day, who posted a 3-0 record a year ago as interim head coach.
- Through two weeks of play, Big Ten teams have recorded a non-conference mark of 22-3. With a winning percentage of .880, Big Ten teams are off to their best start in at least the last 15 seasons. Below is a closer look at the Big Ten's non-conference records through the first two weekends of the previous 11 seasons.

### **BIG TEN FOOTBALL AWARDS**

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2019 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

### **BIG LIFE. BIG STAGE. BIG TEN.**

### Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

### PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 65 universities in the nation according to the 2017 Academic Ranking of World Universities, including five in the top 25.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 37 honorees during the 2018-19 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

### A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 24 of the last 25 years including an average of seven per year over the last 13 years.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

### **BROAD-BASED PROGRAMMING**

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the lvy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

### PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

### **LEADERS IN INNOVATION**

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

### **EXTENSIVE TELEVISION EXPOSURE**

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

### **COMMUNITY INVOLVEMENT**

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
