BIG TEN. BIG NEWS.

- Ohio State quarterback Justin Fields completed 28-of-34 passes for 318 yards and four touchdowns while directing an Ohio State offense that finished with 526 total yards to defeat Penn State on Saturday. It was the sixth time in his 16-game Ohio State career that Fields has thrown four touchdown passes in a contest. The junior's first seven passes were all completions, giving him 16 consecutive completions over two games to tie the school record set by J.T. Barrett in 2016.
- Saturday's win against the Nittany Lions marked Ohio State's 14th straight win by double digits against Big Ten opponents, which continues the longest streak in Big Ten history and is tied for the longest win streak by double digits against conference opponents since Nebraska did so against Big 8 and Big 12 teams in 1995-96. The Buckeyes also tied the FBS record with their 10th straight road win against ranked teams and extended their win streak to 17 straight wins against ranked conference opponents, the longest active streak in FBS.
- Maryland quarterback Taulia Tagovailoa became the third Big Ten player in the last 20 seasons to notch 350 passing yards, three passing touchdowns and two rushing touchdowns in a single game as Maryland defeated Minnesota in overtime on Saturday. The sophomore completed 26-of-35 passes for 394 yards, the 10th most single-game passing yards in school history and the most since Danny O'Brien passed for 417 yards against N.C. State in 2010. Tagovailoa added 59 rushing yards, including a 39-yard touchdown in the first quarter.
- Saturday's 45-44 overtime victory marked the Terrapins' first overtime win since 2016 and snapped an eight-game losing streak. Maryland outscored Minnesota 24-6 in the fourth quarter and overtime to beat the Gophers for the third time in the last four seasons.
- On Oct. 23, the Big Ten Conference announced the launch of the 'United As One' social justice campaign. 'United As One' is among several conference-wide Equality Coalition initiatives dedicated to constructively and collectively recognizing and eliminating racism and hate in our society by creating resources for inclusion, empowerment and accountability.
- The Big Ten Conference established the Equality Coalition in 2020 with 227 members including presidents and chancellors, directors of athletics, coaches, student-athletes, conference and school administrators, alumni, families and friends representing all 14 institutions.
- #B1GVote was established in partnership with the National Lawyers Committee for Civil Rights as a non-partisan conference-wide educational collaboration to encourage student-athletes to take part in the electoral process.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

• Rocky Lombardi threw for 323 yards, including 196 to Ricky White, and three touchdowns to help Michigan State defeat Michigan on Saturday. Mel Tucker became the second Michigan State head coach to win his debut against the Wolverines, joining Nick Saban in 1995. He is the first Michigan State coach to ever have his first career win come against the Wolverines.

• Lombardi had five completions of 30+ yards, connecting on plays of 30, 31, 40, 50 and 53 yards. He is the only Big Ten quarterback with multiple 300-yard passing games this season and his 323 passing yards were the third-most by a Spartan signal caller against Michigan all-time, trailing only Bill Burke in 1999 and Connor Cook in 2015.

• White set a school record for a freshman with 196 receiving yards in a win at Michigan on Saturday. The wide receiver caught eight passes in the contest, including a 30-yard touchdown reception to open the scoring in the first quarter. White added a 50-yard reception on Michigan State's opening possession of the second half to set up a Spartans' field goal and a 31-yard catch late in the fourth quarter to give his team first-and-goal and set up the Spartans' game-sealing touchdown.

BIG LIFE. BIG STAGE. BIG TEN.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

BIG TEN FOOTBALL AWARDS

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2020 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

The full list of awards, along with a breakdown of the former standouts appearing in each award's name, appears to the right.

BIG LIFE. BIG STAGE. BIG TEN.

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on more than 350 teams in 42 different sports.

Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 70 universities in the nation according to the 2019 Academic Ranking of World Universities, including six in the top 30.

The Big Ten leads all conferences with more than 1,800 Academic All-Americans, including 27 honorees during the 2019-20 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least five national championships in 23 of the last 26 years, averaging nearly seven per year over that span.

Since the 2008-09 academic year, current Big Ten institutions have claimed 76 team national championships in 21 different sports.

BROAD-BASED PROGRAMMING

The Big Ten will administer over \$200 million in direct financial support to more than 9,800 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse in this decade.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 and 2018 Olympic Games, more than 200 representatives from Big Ten institutions including current or former students and coaches were members of Olympic teams. Big Ten Olympians collected more than 50 medals in the most recent games in Rio and PyeongChang.

PASSIONATE FOLLOWING

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference has led the nation in attendance for men's basketball, ice hockey, volleyball and wrestling.

LEADERS IN INNOVATION

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively, and added Notre Dame as a sport affiliate member in men's ice hockey in 2017.

EXTENSIVE TELEVISION EXPOSURE

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, more than 2,000 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in almost 60 million homes across the United States and Canada, and is also available internationally via the Fox Sports App, delivering live and on-demand programming to computers, smartphones and tablets. BTN Plus streams hundreds of additional events each season.

COMMUNITY INVOLVEMENT

For more than 30 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, partnered with the College Football Playoff Foundation and other events such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
