### **BIG TEN. BIG NEWS.**

- All 14 Big Ten teams will be in action during the final five weeks of the 2017 season, beginning this Saturday.
- Three teams are tied atop the East Division standings as Michigan State, Ohio State and Penn State are each 4-0 in conference play. The Buckeyes will host the Nittany Lions on Saturday, while the Spartans will visit Northwestern.
- Wisconsin leads the West Division with a 4-0 Big Ten record, followed by Nebraska and Northwestern at 2-2. The Badgers visit Illinois on Saturday.
- The Big Ten features two of the eight remaining undefeated schools in the Football Bowl Subdivision (FBS), as Penn State and Wisconsin are both 7-0. The Nittany Lions are 7-0 for the first time since 2008, when the team started 9-0. The Badgers are 7-0 for the first time since winning their first nine games in 2004.
- Both the Nittany Lions and Badgers enter this weekend riding impressive streaks. Penn State is 16-1 in its last 17 games overall, the best span since going 20-0 from 1993-95. Wisconsin set a new school record on Saturday with its 10th consecutive Big Ten win. The Badgers previously won nine straight conference games from 2006-07 and 2010-11.
- Heading into their matchup this weekend, both Ohio State and Penn State rank among the top 20 teams nationally in both scoring offense and defense. The Buckeyes are second in scoring offense and 10th in scoring defense, while the Nittany Lions lead the nation in scoring defense and are 16th in scoring offense.
- With 126 rushing yards on Saturday against Maryland, Wisconsin running back Jonathan Taylor reached 1,000 career rushing yards in his seventh game, matching the FBS freshman record for fewest games needed to record 1,000 yards. He joined a group that includes Florida's Emmitt Smith (1987), San Diego State's Marshall Faulk (1991), Oklahoma's Adrian Peterson (2004), North Texas' Jamario Thomas (2004) and Wisconsin's P.J. Hill (2006). Only Taylor, Smith, Faulk, Peterson and Thomas achieved the feat as a true freshman.
- Penn State running back Saquon Barkley became the first Nittany Lion and fourth Big Ten player with 3,000 rushing yards and 1,000 receiving yards in his career, but the first Big Ten player to amass these totals in just his third season.
- The largest crowd in Beaver Stadium history was on hand for Saturday's game between Penn State and Michigan, as 110,823 fans were in attendance to surpass the previous record of 110,753 set against Nebraska on Sept. 14, 2002.

# **BIG TEN FOOTBALL AWARDS**

The Big Ten will continue to honor its past while recognizing its current standouts at the conclusion of the 2017 campaign. The Big Ten's enhanced football awards program presents 19 individual trophies in addition to the Big Ten Championship trophy, bearing the names of one or two former standouts. The distinguished names on these football awards honor just a small sampling of the countless students and coaches who have contributed to the conference's rich and storied history.

Seventeen of the honors will be awarded immediately following the regular season, including awards for the best quarterback, running back, receiver, tight end, offensive lineman, defensive lineman, linebacker, defensive back, kicker, punter and return specialist. Each of these individual position awards features the names of two former standouts.

The Big Ten will also continue to honor the conference's top coaches, offensive and defensive players and linemen and freshmen with end-of-year trophies. Big Ten coaches have the opportunity to claim two awards. Media voters will select the Dave McClain Coach of the Year, which has been awarded since 1972, while coaches vote for the Hayes-Schembechler Coach of the Year award. The top offensive player will receive the Graham-George Offensive Player of the Year award, the best defensive player will be awarded the Nagurski-Woodson Defensive Player of the Year award and the top freshman will receive the Thompson-Randle El Freshman of the Year award.

The winner of the Big Ten Football Championship Game will receive the Amos Alonzo Stagg Championship Trophy, while the most outstanding player in the game will be awarded the Grange-Griffin Championship Game Most Valuable Player award. The conference also created two postcollegiate awards - the Ford-Kinnick Leadership Award and the Dungy-Thompson Humanitarian Award.

#### **BIG LIFE. BIG STAGE. BIG TEN.**

### **BIG TEN FOOTBALL DIVISIONAL TIEBREAKER**

The Big Ten football championship will be decided by a game played between the two division champions. A team or teams that are not eligible to participate in a postseason football bowl game as a result of NCAA and/or Big Ten sanctions shall not be eligible to participate in the Big Ten Football Championship Game. The winner of the Big Ten Football Championship Game will represent the conference in one of the bowls that comprise the College Football Playoff - the Cotton, Fiesta, Peach, Orange, Rose or Sugar Bowl. If the Big Ten Champion is ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll, the team will play in a semifinal game. Otherwise, the Big Ten Champion will play in the Rose Bowl Game (when not hosting a semifinal) or the Cotton, Fiesta or Peach Bowl.

The following procedure will determine the representative from each division in the event of a tie:

- If two teams are tied, the winner of the game between the two tied teams (a) shall be the representative.
- (b) If three or more teams are tied, steps 1 through 8 will be followed until a determination is made. If only two teams remain tied after any step (or sub-step), the winner of the game between the two tied teams shall be the representative. If three or more teams remain tied after any step, move to next step in tiebreaker with remaining tied teams.
  - The records of the three tied teams will be compared against each other.
  - The records of the three tied teams will be compared within their 2. division.
  - 3. The records of the three teams will be compared against the next highest placed teams in their division in order of finish (4, 5, 6, and 7).
    - When arriving at a group of tied teams while comparing records, use each team's record against the collective tied teams as a group, rather than record against the individual
  - The records of the three teams will be compared against all common 4. conference opponents.
  - 5. The best cumulative conference winning percentage of non-divisional opponents.
    - Example: East 1 non-divisional opponents are 20-7, East 2 non-divisional opponents are 19-8, East 3 non-divisional opponents are 14-13 – East 1 would be the representative.
  - The records of the three teams will be compared against the highest placed non-divisional teams in their division order of finish (1, 2, 3, 4, 5, 6 and 7).
    - When arriving at a group of tied teams while comparing records, use each team's record against the collective tied teams as a group, rather than record against the individual teams.
    - When comparing records against a single team or a group of teams, the record will prevail, even if the number of games played against the team or group are unequal (i.e. 1-0 is better than 0-0, 2-0 is better than 1-0, etc.)
  - The team with the best overall winning percentage [excluding exempted 7. games] shall be the representative.
  - The representative will be chosen by random draw. 8.

If one or both of the Big Ten division champions is ineligible to play in the Big Ten Championship Game, then the participant(s) in the Big Ten Championship Game shall be determined by the following procedure:

- If the ineligible team is tied for the division championship, then the team it tied with shall be the Big Ten Championship Game representative.
- If two or more teams are tied with an ineligible team for the division b) championship, then the ineligible team is removed and the remaining teams revert to the tie-break procedure.
- The division runner-up shall be the Big Ten Championship Game representative.
- If there is a division runner-up tie, then the tied teams shall revert to the tie-break procedure.

If the championship game cannot be played (due to any reason beyond the control of the Big Ten Conference), the two division champions (using divisional tie-breakers as set forth above) shall be declared co-champions and the following procedure will be used to determine the Big Ten Conference representative to the College Football Playoff:

- Teams ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll will a) automatically be placed in the College Football Playoff.
- b) If the two divisional representatives met previously in the season and neither is ranked No. 1, 2, 3 or 4 in the final College Football Playoff poll, the team ranked highest in the final poll shall be the representative to the College Football Playoff, unless the other team is ranked within five or fewer places of the higher ranked team. In this case, the head-to-head results of the two teams shall determine the conference's representative.
- If the two divisional representatives did not meet previously during the season, the team ranked highest in the College Football Playoff poll shall be the
- If the two teams are tied in the College Football Playoff poll, the team with the d) best overall Big Ten record shall be the representative.
- e) If the two teams remain tied after d), the team with the best combined record of the tied teams against all common Big Ten opponents each team played that season shall be the representative.
- f) If the two teams remain tied after e), the representative will be the team with the best overall winning percentage.
- If the two teams remain tied after f), the representative will be the team g) furthest removed from College Football Playoff, Bowl Championships Series or Rose Bowl Game participation (as appropriate).
- h) If the two teams remain tied after g), the representative shall be determined by a random draw.

# Big Life. Big Stage. Big Ten.

Since its inception in 1896, the pursuit and attainment of academic excellence has been a priority for every Big Ten member institution. But maintaining the conference's standard of competing at the highest level in athletics also endures as an important component of the Big Ten experience. Striking that balance between academics and athletics is integral to the Big Ten's identity. Recognized as one of intercollegiate sports' most successful undertakings, the Big Ten strives for success from its students not only on the field and in the classroom, but around the world as well.

#### PREMIER ACADEMIC INSTITUTIONS

The Big Ten Academic Alliance is an academic consortium of all 14 Big Ten universities, which is widely considered to be the model for effective and voluntary collaboration among top research universities.

Every Big Ten Academic Alliance institution ranks among the top 78 universities in the nation according to the 2014 Academic Ranking of World Universities, including six in the top 25.

The Big Ten leads all conferences with more than 1,700 Academic All-Americans, including 47 honorees during the 2016-17 academic year.

Big Ten Academic Alliance schools annually conduct \$10 billion in funded research, \$5 billion more than any other conference.

#### A HISTORY OF ATHLETIC SUCCESS

Big Ten schools have won at least seven national championships in seven of the last nine academic years and at least five in each of the last 20 years.

In the last four full academic years, current Big Ten institutions have claimed 28 team national championships in 15 different sports.

Over the last 11 full academic years, current Big Ten institutions have won 82 team national titles in 23 different sports.

### **BROAD-BASED PROGRAMMING**

The Big Ten will administer over \$200 million in direct financial support to more than 9,500 students competing in intercollegiate athletics for more than 11,000 participation opportunities on 350 teams in 42 different sports.

The Big Ten sponsors 28 official conference sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last three years.

The Big Ten leads the nation in total students competing in intercollegiate athletics and participation opportunities, and sponsors more official sports than all conferences except the Ivy League.

Almost 1,400 Big Ten competitors have participated in the Olympics, winning more than 600 medals, including nearly 300 gold. In the 2016 Olympic Games, 159 representatives from Big Ten institutions including current or former students and coaches were members to Olympic teams. Big Ten Olympians collected 47 medals in Rio.

### **PASSIONATE FOLLOWING**

The Big Ten leads all conferences with 5.7 million alumni and nearly 580,000 students.

Each year more than 11 million patrons attend Big Ten home contests, as the conference leads the nation in attendance for men's basketball, hockey, volleyball and wrestling.

### **LEADERS IN INNOVATION**

Took part in the nation's first bowl game, winning the 1902 Rose Bowl Game, and signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl with permanent conference affiliations.

Awarded the first Big Ten Medal of Honor in 1915, honoring outstanding seniors who demonstrated excellence in academics and athletics.

Formed the Big Ten Advisory Commission in 1972, enlisting former students that competed in conference athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

Became the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992

Implemented the first collegiate football system of instant replay in 2004, which the NCAA approved for use among all conferences in 2006.

Launched the Big Ten Network (BTN) in 2007, the first national conference-owned television network.

Began partnering with the Ivy League to study the effects of head injuries in sports in 2012.

Accepted Johns Hopkins University as the conference's first sport affiliate members in men's and women's lacrosse in 2013 and 2015, respectively.

## **EXTENSIVE TELEVISION EXPOSURE**

Through the Big Ten's current media agreements with BTN, ABC/ESPN, CBS and FOX, nearly 1,400 Big Ten events are produced and distributed nationally and globally on an annual basis.

BTN is in more than 60 million homes across the United States and Canada. BTN2Go is BTN's digital extension, delivering live and ondemand programming to computers, smartphones and tablets. BTN Plus within BTN2Go streams hundreds of additional events each season.

### **COMMUNITY INVOLVEMENT**

For more than 25 years, through the Big Ten's SCORE (Success Comes Out of Reading Everyday) program, the conference has partnered with Chicago elementary schools to improve reading performance.

Surrounding the Big Ten Football Championship Game and Basketball Tournaments, the conference has held numerous community initiatives, such as the Big Ten Career Expo, SaturDAY of Service and Youth Football Clinics. In addition, the Big Ten has hosted a downtown 5K, collaborated with a local breast cancer awareness group and provided unique event experiences for military veterans.
