**Hawkeyes Mic: *Bohnenkamp's B1G Bets*  
A Look at This Week's Odds for Big Ten Football.**

By John Bohnenkamp 09/02/21

**THURSDAY**

Ohio State at Minnesota

Line: Ohio State -14

O/U: 62.5

Buckeyes are big road favorites. Gophers might be a good bet, the over certainly is a good bet.

**FRIDAY**

Michigan State at Northwestern

Line: Northwestern -3

O/U: 45

Wildcats should cover, and the under should hit.

**SATURDAY**

Indiana at Iowa

Line: Iowa -3 1/2

O/U: 45.5

Don't really have a feeling on the line. I'm thinking over on this one.

Penn State at Wisconsin

Line: Wisconsin -5 1/2

O/U: 50

Badgers should win big at home. The under seems like the best option.

Western Michigan at Michigan

Line: Michigan -17

O/U: 67

The over-under is quite high. Wolverines should cover.

Fordham at Nebraska

Line: None

Not worth betting, not worth watching.

West Virginia at Maryland

Line: West Virginia -3

O/U: 57

Terrapins are an underdog at home, and that's probably for good reason.

Oregon State at Purdue

Line: Purdue -7

O/U: 68.5

A lot of points in this one. Boilermakers should cover.

UTSA at Illinois

Line: Illinois -5 1/2

O/U: 49

Illini are a good bet here. A lot of momentum off last week's game.

Temple at Rutgers (rescheduled from Thursday evening)

Line: Rutgers -14 1/2

O/U: 51.5

A big line at home for the Scarlet Knights, but they should cover.
